

Trailer and Canoe Storage:

1. Campers will be permitted to store trailers and canoes during the off-season on the OTF Quinn Lake Campground (“campground”) in designated storage areas (“storage areas”).

2. OTF assumes neither responsibility for insurance nor loss to a trailer or canoe stored in a storage area on the campground.

3. An OTF caretaker will undertake a periodic inspection of stored trailers and canoes and will notify the owners regarding any discovered loss or damage.

4. The fees for storage will be as outlined below. The fees are payable by cheque to OTF by Sept 1 preceding the storage term (e.g. Sept 1/04 for winter of 04-05). The cost of site setup and return to the storage area at the conclusion of the camping session will be \$20 cash to the caretaker for each setup and storage.

5. To arrange setup, please call the caretaker at the office (1-705-389-2540) at least 24 hours prior to your anticipated arrival. If you are leaving a message, be sure to include your name, trailer details, and preferred location(s), subject to availability.

6. Campers who have not contracted for off-season storage may avail themselves of short-term storage in the designated storage areas during the summer at the rates listed below.

Rates:

- | | |
|---|---|
| 1. Trailers : Less than 22 ft. length: | \$125 |
| 22 ft. to 29 ft. | \$150 |
| 30 ft. and over: | \$175 |
