

Trailer and Canoe Storage

Please be advised that onsite trailer storage is currently at capacity. OTF will be making arrangements for derelict trailers to be removed from the OTF property. Please ensure that your trailer is in good condition and that you are up to date on your storage payments.

1. Campers are permitted to store trailers and canoes during the offseason at the OTF Parry Sound Campground ("campground") in designated storage areas ("storage areas").
2. OTF assumes responsibility neither for insurance nor loss to a trailer or canoe stored in a storage area on the campground.
3. An OTF caretaker undertakes a periodic inspection of stored trailers and canoes and will notify the owners regarding any discovered loss or damage.
4. The fees for storage are outlined below. The fees are payable by cheque to OTF by September 1 preceding the storage term (e.g. Sept 1/09 for winter of 09-10).
5. The cost of site setup and return to the storage area at the conclusion of the camping session is \$20 in cash to the caretaker for each setup and storage.
6. To arrange setup, please call the caretaker at the office (1-705-389-2540) at least 24 hours prior to your anticipated arrival. If you leave a message, be sure to include your name, trailer details, and preferred location(s), subject to availability.
7. Short-term storage is available to campers without off-season contracts in the designated storage areas during the summer at the rates listed below.

Storage rates

1. Trailers: Less than 22 ft. in length: \$125
 22 ft. to 29 ft.: \$150
