

## Board-based Arts Professional Development

### Board-Based Professional Development in the Arts

The Professional Learning through the Arts subsidy applies to registration fees (up to \$200) for workshops or other professional learning offered by school boards.

All professional learning experiences must be directly linked to the implementation of the revised Ontario Curriculum: The Arts, Grades 1-8 and The Arts, Grades 9-12 in order to qualify for the \$200 subsidy.

Individual arts experiences such as attending a performance, taking private lessons or enrolling in classes other than workshops do not qualify. The subsidy only applies to registration fees OR release time to attend the arts related professional learning activity. Travel, accommodation, meals etc., are not eligible for the subsidy.

Interested members must apply for the subsidy online and will receive immediate notification by return email that OTF has received their application.

Subsidies will be allocated on a first-come first-served basis.

When a member provides confirmation of attendance at an arts-based workshop, he/she will be reimbursed.
