Q. What do the accommodations look like?

A. The style of accommodations will vary from site to site. Most workshops will utilize college or university student residences. Individuals requesting a private room will be provided with a private bedroom, though we cannot guarantee that bathrooms will also be private. Suite-style accommodation consists of two or more lockable, private bedrooms sharing common bathroom(s), sitting area and, in some locations, a kitchenette. Please refer to your specific workshop's site information package for more details.

Q. I would like to carpool. Can OTF find me someone to travel with?

A. OTF will do its best to connect people who are interested in travelling together. When you initiate your on-line registration, you will have the opportunity to select an option expressing interest in carpooling. Data will be collected to determine the interest and feasibility of OTF assisting participants in planning shared travel.

Q. I have already registered but would now like to switch workshops. Can I do this?

A. Please email OTF at [OTF Summer Programs](#) with any changes you need to make.
