## PENSION UPDATE

### FUNDING STATUS

#### Joint Pension Education Project Spawns New Website

Since September 2009, OTF, staff from the Government of Ontario, and the Ontario Teachers' Pension Plan have been working on a series of educational materials for OTPP members.

The materials are intended to cover the Plan basics in an interesting and approachable way, and to provide members a new central source for that information.

You'll find information on:

- Funding Your Pension
- Conditional Inflation Protection
- Plan Maturity
- What is Smoothing?
- Where Assumptions Fit In

You can also use the page to ask questions of knowledgeable pension experts.  
**You'll find this great new resource at: <http://fundingyourpension.com/index.php>**

**Give it a try! There's even a response form that will help us improve the site as we go.**
