## MISSION REPORT ROLES

**Part 1: Find someone within your own group and answer the following questions together.**

1. What was your weapon?
2. Did it get built in time?
3. In your role, what did you do to help or hinder your project?
4. What impact did your government system have on your project?
5. How did your suspicion of others and the pressure to win impact the development of your weapon?

**Part 2: Join another pair from the other country and compare answers.**

1. Using your answers from Part 1, discuss the differences between the Soviets and the Canadians?
2. Give an example of a rivalry in today's world (e.g. Toronto Maple Leafs vs Montreal Canadiens).
3. How would such rivalries create tension in the world?
