# PROJECT: WATER BALLOON
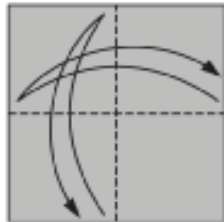

**INSTRUCTIONS**
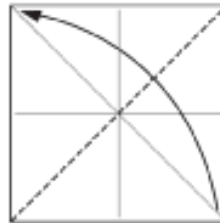

Follow these instructions along with our Water Balloon template from http://m4s.in/SwRKV7 or scan here:
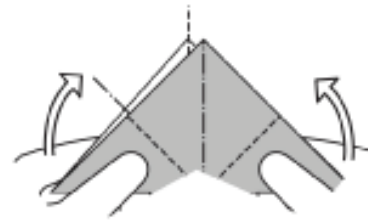

**Step 1.** Cut a square piece of paper.
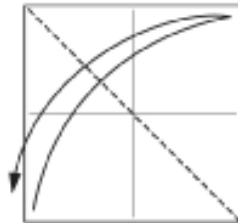

**Step 2.** Fold it in half diagonally.

**Step 3.** Repeat with the other side.

**Step 4.** Hold it by bottom corners and push it together until the center lines of all four sides meet.

**Step 5.** Press the two flaps flat on each side. Turn end-for-end.

**Step 6.** Fold the upper layer of flaps.

**Step 7.** Fold corners to the center.

**Step 8.** The next drawing will focus only on the circled area.

**Step 9.** Fold the top corner downward so the outer edge fits along the edge of the pocket.

**Step 10.** Tuck the top corner into the pocket.

**Step 11.** Repeat steps 9-10 on the other side.

**Step 12.** Turn over and repeat steps 9-11 on the other side.

**Step 13.** Arrange the flaps so they stick out in 4 oposing directions.

**Step 14.** Hold gently, with locks on top and bottom, not at the sides. Blow with a strong puff into the hole end.

**Step 15.** Push in the center line of each of the square areas that radiate from the ends; 4 at the top, 4 at the bottom.

**Step 16.** Fill it with water and throw it at someone :)
