

## ADA20S - NDS: Practice of the “th” phoneme - Advanced (DO/EO) Levels

A: I have to select one of these two things.

B: Those things are your choices?

A: Yes. I can choose this or I can choose that.

B: I like this.

A: You like this?

B: Yes, I like this one.

A: But you don't like that one?

B: This one is my choice.

A: Why this one but not that one?

B: This one thoroughly intrigues me. That one leaves me thinking nothing at all .

A: That's fantastic. You have really thought this through!

B: I have thought about it thoroughly and I say this one is the one to pick.

A: Then this one is it!
