

We are going to be learning, and communicating with classrooms from grade 7-12 all across Ontario over the next few months. Our first project, involves making a video that will introduce us to the other classes. The video can be as creative as you wish.

You, and a partner (you can also do this individually) are going to use a “Top Ten” list to share what you like to do, and what you care about. That means each of you will come up with your “top five” things you like to do, and what you care about. If you are doing your own video, you can do a top 5, or top 10.

Look at my example below, to see what you need to do today.

**Ms. Mackechnie EXAMPLE**

	What I Like to Do, or What I Care About	What I will say, or what text will I use	What image will communicate my message. <b>Remember, you have to search for images that are free to reuse.</b> (Find the image, and add the link)
Number 1	Spend time with my family	My favourite thing to do with my families is to go on adventures with my 7 nieces and nephews. I also like to travel the world with my husband.	(I will upload my own picture) or <a href="https://goo.gl/images/oNFdZm">https://goo.gl/images/oNFdZm</a> and <a href="https://goo.gl/images/V2jq15">https://goo.gl/images/V2jq15</a>
Number 2	Chocolate...lots of it!		<a href="https://goo.gl/images/ohJwDZ">https://goo.gl/images/ohJwDZ</a>

Each partner must complete your own organizer to plan for your video. The organizer is on the next page.
