Parry Sound Campground

OTFFEO

General Information

One of OTF's hidden gems is the Parry Sound campground which it owns and operates. The camp is available to all OTF members and education workers in publicly-funded schools - principals, secretaries, educational assistants, and caretakers.

Situated on picturesque Quinn Lake, it offers members and their children opportunities to get back to nature and enjoy summer activities. Lovely grassy meadows provide clean, spacious campsites with easy access to a beautiful lake bordered by a mixed forest teeming with wildlife. Nature trails and quiet country roads provide ample opportunity for walking.

The lake is ideal for swimming, fishing, canoeing, or sailboarding. It's a safe place for kids, with lots of grass, sand piles and a roped-off beach (unsupervised). Motors of any kind are not permitted on the lake.

Space is set aside for baseball, horseshoes and volleyball, and there are several golf courses within driving distance.

A host registrar and caretaker service the property and are available to assist campers at the posted times. There is a telephone at the registrar's cabin for emergencies: 705.389.2540. There is also a pay phone for outgoing calls.

Cabins

There are three cabins—two small and one large. All cabins are located on the south side of the lake, with access to pit toilets. Showers and flush toilets are available on the north side of the lake.

Each cabin is equipped to accommodate four people and includes a propane stove, lights and fridge, a table with four chairs, dishes, cooking utensils and cutlery. Please bring your own sheets, blankets and pillows. A firepit and picnic table are also provided. There is no indoor plumbing, heat, or electricity. Cabin keys are obtained from the registrar or caretaker on the property upon arrival.

Cabins #1 and #2 have one room, two sets of bunk beds, kitchen facilities, a screened porch, and a wonderful view.

Cabin #3 is larger, with two bedrooms (one with a double bed, one with two single beds) and a separate living room/kitchen area and a screened porch.

Maximum stay: if you rent 1 cabin, 2 weeks
 if you rent 2 cabins, 1 week

Reservations will be accepted starting on the last Saturday in January at 4:00 pm. Refunds can be made only when cabin can be rented to another person for that period. Administrative fees will apply.

Cabins can be rented, in the high-season, by the week (seven days only). In the off-season, rental is by the day or week.

Cabins must be reserved and paid for in advance.

Camping

A camping unit (for a trailer or tent) is generally considered as up to two adults and up to four children. There is a surcharge for additional people of \$5 per adult up to four adults and \$2 for each additional child. Additional vehicles may be required to be parked in a nearby designated area to avoid overcrowding at the sites. There are electrical hook-ups at eight of the sites.

Campsites are available on a "first-come, first-served" basis. You must register upon arrival and pay by cheque on departure.

Seasonal sites

Seasonal sites are available. A seasonal fee must be paid in advance. The season is from May 1 until Thanksgiving Tuesday. General rules regarding sponsorship and numbers apply. Only one family (same address) can utilize a seasonal site.

School group camping

Pre-registration required. For student groups or other educational tours under teacher supervision, access is limited to weekdays during the school term.
