

Student Self-Assessment Tools and Strategies

- Co-created success criteria
- Co-created rubrics
- Checklists (e.g. problem-solving bookmark)
- Indicator systems
 - Happy/sad faces, red/green lights
 - Multiple choice questions using letter cards or PingPong app
 - Thumbs up/thumbs down (or sideways)
 - Individual whiteboards
 - Clear or cloudy cards
- Student generated practice test questions
- Self-assessment reflections with prompts (e.g. What seemed hard but now I get...)
- Math journals
- Exit Slips
- Rubrics and highlighters
- Use Explain Everything app to record understanding
- Partner practice: did you get the same answer?
