

Using Pic Collage to Share Information

As part of social studies, students created a poster to share information about a community in Ontario.

Visit Teeswater ... a great farming community

JOBS

In Teeswater you can be a

Farmer

Teacher

Livestock farmer

Dairy farmer

People also travel to other cities to work

Teeswater is in the Great Lakes St. Lawrence lowlands and it has fertile soil. There are rolling hills and flat land in Teeswater. Teeswater also has lots of animals. The climate is cold in the winter and hot in the spring and summer.

Teeswater is a good place for a farmer to work because there is lots of flat land and rolling hills and rich soil.

FUN THINGS TO DO

Some fun things to do are swimming on the lake, boating on the lake and camping.

Teeswater is an important community because they grow food for grocery stores and without farmers in Teeswater, there will be less food for people to eat.
