

# Ici on parle français – PD grants for FSL teachers

## Cambridge Scope & Sequence for FSL

### Team Members:

Natasha McGinnis, Corrine Mason, Jennifer Chambers  
and Margaret Summerfield

School District : Huron Perth Catholic DSB

## the FSL Classroom

## What We Did

Meeting together in grade partners, we put together a scope and sequence of expectations for our French language instruction in Kindergarten and Gr 1-6 French Immersion. This includes expectations in Oral Language, grammar, reading and writing. We also put together resources used to attempt to standardize our programming to ensure 100% French in the classroom.

## What We Learned

We learned about a variety of different resources that are available and that our students will be able to understand. We have learned about different programs available and begun assessing what will work for our students.

## How We Shared Our Learning With Others

Our learning was shared with the entire French team through shared documents and in staff meetings.

## Any Next Steps We Have To Continue Our Learning

We ran out of time in completing the sequence and there are still a few gaps to be filled in. We need now consider a scope and sequence for Core French for grades 1-6. Now that we have our goals, we will need to design a plan to ensure that our students are able to meet these objectives.
