Applewood Heights French Immersion Program Continuum

Team Members:

Meghan Benson, Annie Nastah,
Sarah Bracken, Tanya Tresise,
Michelle Nazari and Carole Maric

School District:

Peel District School Board

What We Did

Together, we worked off-site for an entire school day, collaborating with the goal of revising and streamlining the course continuum of our French Immersion program, from Grade 9 through Grade 12.

What We Learned

We all had independently solid programming that was easily improved through streamlining of common themes we cover in each Grade level.

How We Shared Our Learning With Others

We all contributed unique ideas that we first documented on chart paper, and then worked together to condense and communicate our revised continuum in an organized document that's now easily accessible and shareable for any teachers that become part of our French Immersion team at our school.

Any Next Steps We Have To Continue Our Learning

Continue to revisit and update the continuum as-needed, or periodically but regularly, over the coming years to ensure we keep our teaching relevant both socially and culturally for students. Continue to seek out and collect new materials and resources made available to us, and share them with colleagues, so to continually enhance our repertoire.
